## **Volunteering:**

As with most things at the Out & Affirmation Center, volunteers are essential to getting things done. Volunteers are needed Thursday and Friday for set up. If you are planning to attend and would be willing to use some of your time as a volunteer, volunteers are needed for registration, processing auction items, and serving food. If you could stay after the event, volunteers are needed for clean up. Please call the OAC at (269) 985-9622 or [click to send e-mail](#) and let us know how you can help.

## **After-Party:**

After-party at Maritimes in Saint Joseph. Save your ticket stub for entry.
