Big Eden

BIG EDEN is a tiny town tucked away in the timberland of Northwestern Montana, where cowboys lounge on the porch of the general store to pass the time away. It's also the childhood home of Henry Hart (Arye Gross, *Ellen*, *Minority Report*), a successful but lonely New York artist, who returns after years away to care for his ailing grandfather.

Back home, Henry confronts his unrequited passion for his high school best friend and his feeling about being gay in a small town. Warmed by the openness and affection of his old friends, in time Henry finds new possibilities for friendship and romance. BIG EDEN is a uniquely American fable about home and family. It hits upon the universal longing and hope we each have for finding a place where we are loved, and the unconditional desire to see those that we love find happiness. An award winning ensemble cast is featured, including Eric Schweig (*Last of the Mohicans*, *Skins*) and Louise Fletcher (Academy Award winner for *One Flew Over the Cuckoo's Nest*).

MPAA: Rated PG-13

Running Time: 117 minutes
